

## Discover & Do Activity 1 – Were you listening carefully?

Listening is the receiving, retaining and processing of information or ideas.

10 mins

**Part 1:** Fill in the missing key information from the sentences below.

- Chris works as a ..... This job is in the ..... industry. One of the things he likes most about his job is .....
- Chris uses science in his job. This helps him because .....
- Chris uses lots of skills in his job including ..... This skill is important for this job because .....

**Part 2:** Talk to two or three people around you about what surprised you most about Chris the Race Analyst, his job and the skills he uses.

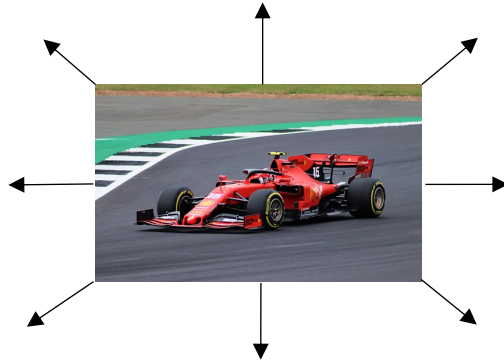

## Discover & Do Activity 2: Design your own F1 car

Mind-map your ideas for a new F1 car here. Think about the car's design, including what materials should be used and what features it should have:

15-20 mins

Now, working with a partner or in a small team, create and label your design together.

## Discover & Do Activity 3: Create an F1 racetrack

Research existing F1 race tracks around the world. Based on your research, design a new F1 race track. You could present your ideas a drawing, mood board, aerial view or model. Can you think of a catchy name?
