

**Discover & Do Activity 1 – Were you listening carefully?**

Listening is the receiving, retaining and processing of information or ideas.

10 mins

**Part 1:** Fill in the missing key information from the sentences below.

- *Daniel works as a ..... This job is in the ..... industry. One of the things he likes most about his job is .....*
- *Daniel uses science in his job. This helps him because .....*
- *Daniel uses lots of skills in his job including ..... This skill is important for this job because .....*

**Part 2:** Talk to two or three people around you about what surprised you most about Daniel the Horticulturalist, his job and the skills he uses.

**Discover & Do Activity 2: Plan your own gardening project**

Generate ideas and plan a gardening project for your school. You might want to think something each class can make or do to improve your school garden eg. weeding, make a scarecrow, make wind chimes, planting or making signs. Record your ideas in the table below and sketch out an aerial view of your garden.

Year 6	

**Discover & Do Activity 3: Garden Collage**

Create a scrapbook/collage of your garden or an outside space. How would this change depending upon the time of year? Really think about the season you are in and try to reflect this in your collage.
